National Association of Mathematicians, Inc.

NAM Regional Faculty Conference on Research and Teaching Excellence

Texas Southern University
Houston, Texas
April 26-27, 2019

The Faculty Conference on Research and Teaching Excellence is a two-day meeting, typically Friday and Saturday in the Spring, which rotates around the country based on NAM's regional structure. The conference is geared for faculty from Historically Black Colleges and Universities (HBCUs). The conference consists of five components:

A Short Course in Computational Science
This is a two-hour course to be held on Friday as the conference begins.

The Albert Turner Bharucha-Reid Lecture
This is an hour-long talk which precedes the Friday banquet.

Recognition Banquet
This dinner takes place Friday evening.

Contributed Talks
Eight faculty speakers may present on topics of their choice. Each faculty speaker has 25 minutes to present with 5 minutes of questions and answers. The talks will be held on Saturday.

Regional Panel Discussion
A discussion to focus on issues relevant to the region in which the conference is held. The conference will close out on Saturday with this discussion.

This conference is based upon work supported by the National Science Foundation under Grant No. 1833234. Any opinions, findings, and conclusions or recommendations expressed in this material are those of the National Association of Mathematicians, Inc. and do not necessarily reflect the views of the NSF. Funding for travel is available.; for more information, visit the website below.
