

The 2nd Annual TSU-PVAMU Workshop on Artificial Intelligence and Machine Learning - 2020

Date: 23rd January 2020

Venue: Room 216 Technology Build.,
Texas Southern University

Time: 9.00 AM – 4.30 PM

Topics:

- ☐ Mathematical Background in AI
- ☐ Data Science and Big Data Analytics
- ☐ AI in Different Data Domains
- ☐ Hands-on Machine Learning with Python

The 2nd Annual TSU-PVAMU Workshop on Artificial Intelligence and Machine Learning - 2020

The Agenda

Date: Jan 23, 2020 **Time:** 9:00 a.m. – 4:30 p.m.

Location: Room 216, Technology Building, Texas Southern University.

9:00 am Welcome, News and Announcements

Dr. Nalinda Kulathunga & Dr. Yunjiao Wang
Department of Mathematics, Texas Southern University.

9:30 am Talk 1: (Title: TBA)

Dr. Daniel Vrinceanu
Department of Physics, Texas Southern University.

10:15 am Coffee Break

10:30 am Talk 2: (Title: TBA)

Dr. Kelum Gajamannage
Department of Mathematics, A&M University, Corpus Christi, TX.

11:15 am Talk 3: (Title: TBA)

Dr. Mohammadmehdi Ezzatabadipour
Anadarco Petroleum, Houston, TX.

12:00 noon Lunch and Discussion of Ongoing Research Work

2:00 pm Talk 4: (Title: TBA)

Dr. Lei Huang & Dr. Nishath Ranasinghe
Department of Computer Science, Prairie View A&M University.

3:00 pm Interactive Session : Hands-on Machine Learning with Python

Dr. Nalinda Kulathunga
Department of Mathematics, Texas Southern University.

4:30 pm Thanking and End of the Workshop
