MARITIME TRANSPORTATION MANAGEMENT *and* SECURITY

Texas Southern University has partnered with the Port of Houston Authority to develop a new academic program in Maritime Transportation Management and Security. This is the first university degree program related to Maritime Transportation and Security in the Houston area, and the first such at any Historically Black College or University (HBCU) in the country.

The Bachelor of Science degree in Maritime Transportation Management and Security will address three nationally recognized priorities – logistics/freight, security and environment – in a single curriculum.

Graduates of the program will be qualified to:

- Work in variety of administrative and managerial positions in the maritime industry and port operations
- Function effectively in the disciplines of logistics, security and environment
- Pursue advanced studies in the field of maritime transportation or its affiliated areas

CAREERS *in* MARITIME TRANSPORTATION

- FREIGHT LOGISTICS SPECIALIST
- SHIPPING MANAGER
- PORT MANAGER AND OPERATOR
- PORT SECURITY OFFICER
- MARITIME POLICY MAKER
- MARITIME TRANSPORTATION PLANNER
