

ORACLE CORPORATE SCHOLARS PROGRAM 2015

Sophomores, juniors and seniors who are enrolled in UNCF Schools and any other Historically Black Colleges and University are eligible to participate in an 8 week paid summer internship at an Oracle location in either Redwood Shores, California or Reston, Virginia. Students are assigned summer projects in the areas of accounting, business, marketing, computer science, computer engineering, finance, MIS, information systems, software development and human resources. Upon successful completion of the internship, students are eligible to receive a \$10,000 need-based scholarship.

Complete Package includes:

- Completed Application
- Transcript (Upload from file attachment page)
- Resume (Upload from file attachment page)
