

ACADEMIC RESEARCH CONSORTIUM (ARC) SUMMER PROGRAM

*Application Deadline: **March 15, 2015***

www.graddiv.ucsb.edu/admissions/outreach/academic-research-consortium

Program Highlights:

- ◆ 7-week summer research experience at UC Santa Barbara with \$2500 stipend
- ◆ University housing accommodations
- ◆ Research experience with faculty and graduate student mentors
- ◆ Weekly academic enrichment and professional development workshops
- ◆ Preparation for the Graduate Record Examination (GRE)
- ◆ Participation in end-of-summer symposium to present research work
- ◆ Information about graduate admissions process, including how to build a strong application package
- ◆ Exposure to the resources, diversity and community of UC Santa Barbara

ARC Summer Program provides mentored research experiences in all disciplines to undergraduates at the junior level or continuing seniors with the potential to succeed in graduate study, but who have experienced situations or conditions that have adversely impacted their advancement in their field of study. The program targets talented and motivated students who can benefit from additional encouragement and academic support.

Eligibility

- ◆ Completion of at least the junior year by June 2015
- ◆ Minimum cumulative GPA of 3.0
- ◆ Commitment to pursuing a graduate education

Summer Program Dates: June 22 – August 7, 2015
