Study Level: Graduate, Undergraduate

Award Type: Scholarship

Purpose: To provide financial assistance for the education and development of public administrators serving in the engineering and information technology field.

Focus: Engineering.

Qualifications: Applicants must be full-time students, working towards an undergraduate or graduate degree in engineering or information technology with excellent interpersonal and analytical abilities, strong oral and written communication skills and a 3.0 or better grade point average for at least 1 remaining full-time semester.

Criteria: Applicants will be evaluated by the Scholarship Selection Committee.

Funds: \$2,500.

To Apply: Applicants must submit cover letter describing current student status, and other relevant information that might be used in evaluating your application (extra-curricular activities, volunteer activities, etc.); official copies of all graduate (if applicable) and undergraduate transcripts (transcripts must be included in application package, not sent separately); two reference letters (at least one of which should be from a faculty member); three-page essay detailing his/her autobiography and career goals and objectives; and a current resume.
