

2017 - Calculus Bowl Team Selection Competition

Where: Technology Building, classroom 243

When:

First choice: 12:15 pm, Thursday, February 16, 2017

Second choice: 12:15 pm, Monday, February 20, 2017

What:

Student will compete individually in a “COSET Calculus Bowl” game where they answer interactively 10 calculus questions in one hour. Students with the first 5 higher scores at either dates will be invited to join the team that represents TSU at the Texas Calculus Bowl competition during the Mathematical Association of America (MAA) Texas Chapter Meeting at Texas A&M University Commerce, and to receive the Calculus Bowl Scholarship.

Instructions:

Bring an electronic device that connects to the internet and install the free *SOCRATIVE* app from <https://socrative.com>. Also bring scratch paper and pencil.
