

# Winter Mini Semester 2020 -2021

## Classes

**NOVEMBER 30, 2020**  
through  
**JANUARY 8, 2021**

**Final Examination**  
**JANUARY 9, 2021**  
through  
**JANUARY 15, 2021**

The College of Science, Engineering and Technology will offer classes in a variety of subjects that will allow students to accelerate their pathway toward graduation.

All classes are online only.

A student can take up to 7 credit hours during the winter mini semester.

Course Title	Course Number	Course Title	Course Number
Intermediate Aviation Lab	AVST 311L	General Chemistry	CHEM 131
Intermediate Aviation Lab	AVST 316L	Contemporary Math I	MATH 132
Intermediate Aviation Lab	AVST 317L	College Algebra	MATH 133
Introduction to Earth	GEOL 141	Trigonometry	MATH 134
Survey of Life Science	BIOL 143	Business and Eco Analysis I	MATH 135
Cell Biology	BIOL 231	Pre Calculus	MATH 136
Genetics	BIOL 338	Business and Eco Analysis II	MATH 138
Organismic Biology	BIOL 341	Calculus and analytic Geometry I	MATH 241
Organismic Biology Lab	BIOL 341L	Calculus and Analytic Geometry II	MATH 242
Plant Biology	BIOL 438	Elementary Statistics	MATH 231
Plant Biology Lab	BIOL 438L	Introduction to Computers	CS 116
Principles of Biology	BIOL 439	Assembly & Comp. Architecture	CS 343
Histology	BIOL 441	Transportation	CIVE 334
Histology Lab	BIOL 441L	Highway Design	CIVE 335
Molecular Biology	BIOL 443	Digital System	ECE 235
Molecular Biology Lab	BIOL 443L	Digital System Lab	ECE 215
Immunology	454	Power Systems	ECE 438
Immunology Lab	BIOL 454L	Cyber Security	ECE 439

Fees: \$250 per credit hour
