

May Mini Semester 2021

Classes

MAY 10, 2021

through

JUNE 4, 2021

Final Examination

JUNE 3, 2021

through

JUNE 4, 2021

The College of Science, Engineering and Technology will offer classes in a variety of subjects that will allow students to accelerate their pathway toward graduation.

All classes are online only.

A student can take up to 3 credit hours during the May mini-semester.

Course Title	Course Number	Course Title	Course Number
Biological Science I	BIOL 131	Introductory VLSI Design	ECE 336
Biological Science II	BIOL 132	Microwave Engineering	ECE 433
Human Anat & Phys I	BIOL 135	Electronics I Laboratory	ELET 114
Survey of Life Science	BIOL 143	Electronics I	ELET 134
Cell Biology	BIOL 231	Interdisciplinary Math Lab	MATH 101
Principles of Biology	BIOL 439	Contemporary Mathematics I	MATH 132
Principles of Biology Lab I	BIOL 439L	Plane Trigonometry	MATH 134
Biostatistics	BIOL 460	Business and Eco Analysis I	MATH 137
Immunology	BIOL 454	Elementary Statistics	MATH 231
Immunology Lab	BIOL 454L	Str & App of Numb Sys	MATH 235
Environmental Engineering	CIVE 301	Fnds of Geom, Stat & Pro	MATH 236
Environmental Engineering Lab	CIVE 301L	College Phys Lab I	PHYS 213
Intro To Compr Science I	CS 116	College Phys Lab II	PHYS 214
Assembly & Comp Archi	CS 343	College Physics I	PHYS 237
Engineering Math Analysis	ECE 330	College Physics II	PHYS 238

Fees: \$250 per credit hour
