TSU Summer Maritime Transportation Academy (SMA) 2022 Frequently Asked Questions

Question 1: What is the Summer Maritime Academy (SMA)?

Answer 1: The SMA is a 4 day academy designed to introduce high school students to educational and career opportunities in maritime, logistics, homeland security and the environment (as it relates to maritime).

Question 2: Who can attend the SMA?

Answer 2: Rising high school freshmen, sophomores, juniors and seniors can attend the SMA.

Question 3: When is the SMA held?

Answer 3: June 14-17, 2022 (tentative dates) 8:30 am – 4:30 pm daily

Question 4: Where is the SMA located?

Answer 4: The SMA is located in the Technology Building on the campus of Texas Southern University. The SMA is non-residential; *SMA students do not stay on campus.*

Question 5: Why is TSU offering the SMA?

Answer 5: TSU partnered with the Port of Houston Authority on a new academic program in Maritime Transportation Management and Security. The program addresses three national priorities: logistics, security, and environment in a single curriculum. The SMA is designed to introduce students to the dynamic maritime industry and educational opportunities at TSU.

Question 6: How much do students get paid?

Answer 6: Students will be paid for each day they attend the SMA, up to \$125 for the 1 week session.

Question 7: When will the student get paid?

Answer 7: A check in the student's name will be sent to the student's home address within 7 business days after the conclusion of each SMA session.

Question 8: When and where do I turn in my application?

Answer 8: The completed application must be submitted online by midnight on May 2, 2022.

Apply online at <https://form.jotform.com/70404264360144>. Late submissions will not be accepted.

Question 9: When will students be notified if accepted?

Question 9: Notifications of acceptance will be emailed to students (and their parents) May 9-13, 2022.

Question 10: Who do I contact with questions?

Answer 10: Contact Mrs. Williams, Maritime Program Coordinator, williamsua@tsu.edu, 713.313.4394
